Friends of the Program

Friends of the Program originated in 2000 with nine guys who got together to raise money to help a friend. In 2001 the group decided the cause would refocus their attention on a common bond between all of them; Whitewater Athletics. The sole intent the Friends of the Program Charity Golf Outing is to raise unrestricted funds to support Whitewater Athletics at all levels. Our commitment to you; 100% of the money raised, after expenses, will directly benefit the students participating in athletics in Whitewater.
