

Whitewater High School Registration 2010-2011

Whitewater High School registration for the 2010-2011 school year will begin in February. Students in grades 9-11 are scheduled to receive registration materials during Homeroom (SAFT) on Thursday, February 4. Information about the registration process, course selection and post-secondary planning will take place for each grade level in the auditorium during periods 5, 7, and 9.

Students in Grade 11 will complete their registration forms and turn into the Student Services Office by Friday, February 12. Students in grade 11 will have a conference with their counselor to review long-range educational & career plans, graduation credit status, and high school course selection February 15-23.

Students in Grade 10 will also complete their registration forms and turn into the Student Services Office by Friday, February 12. Counselors will meet with each sophomore during an individual planning conference with their parents in April. A schedule of individual appointments will be mailed home in March.

Students in Grade 9 will complete their registration forms electronically through the Career Cruising program during Freshman Connections Classes and turn into their teachers by February 25.

Students in Grade 8 will attend a presentation about WHS registration on Wednesday, February 3 and participate in a registration workshop with high school counselors February 9-10. Counselors will distribute registration materials and help students learn about high school course offerings, the registration process, career exploration resources, and tips for college planning. Eighth grade students will be given recommendations for course selection by their teachers and will begin creating a four-year academic learning plan based on high school graduation requirements, personal learning goals, and college admission standards.

Parental involvement is encouraged as students select courses and create their high school individual learning plans. There will be a special presentation about registration for parents on Thursday, February 4 at 6:30 p.m. in the Whitewater High School auditorium. Counselors and administrators will be available to answer questions after presenting information.
